# Illuminating the Realities of Religious Life Today

Announcing a new video series by men and women Religious speaking about what is at the heart of the life and the many graces and challenges offered by its call. Listen to over 40 voices sharing what creates passion and inspiration for them in their life as a Religious in the 21<sup>st</sup> century.

Each video segment (13 in total) is comprised of short presentations to watch in one viewing or to divide over time.

*Featuring a special section on the initial formation experience – with suggestions for the journey and personal reflections for discerners.*

## CREATING CONVERSATION AND REFLECTION

Use these videos for a community gathering and engage in conversations about the reality of today and what is emerging in religious life and its prophetic call. Of course, this series can also be used for personal reflection.

## HEAR FROM A DIVERSITY OF VOICES

This series offers voices from diverse backgrounds and ages, with a focus on hearing from men and women Religious under the age of 65 years.

## BE INSPIRED AND CHALLENGED

Ponder what you hear. Does it inspire or challenge you? Does it confirm something you already experience? What is the invitation?

Videos are available on the Leadership Collaborative's website\*
